SUPPLEMENTAL RESPONSE AND AMENDMENT

This Amendment is submitted to correct the Amendment mailed January 18, 2000 in reply to the November 15, 1999 Office Action requiring restriction. While applicants' January 18, 2000 filing was fully responsive to the restriction requirement, certain errors, e.g., page and line numbers, have been found which may prevent proper entry. To facilitate entry, and to correct further typographical errors, a new amendment is provided.

Please amend the subject application as follows:

In the Specification:

Please disregard and do not enter the amendments to the specification which were presented in the previously filed
